A MESSAGE FROM
SIMON ZUTSHI

Dear Sponsor,

Thank you for taking the time to consider sponsoring one of our large property investors network events.

Since 2003, pin has been providing a supportive environment for people to become successful property investors. We are not the biggest training company in the UK, but each year we consistently have more successful students than any other training organisation.

Our students are action takers who want to expand their property portfolios, which means they will need products and services from suppliers, such as yourself.

The fact that you are reading this means that you have been selected as one of the suppliers who we are happy to endorse and foster a long term working relationship with.

All of the attendees at these events have paid to be there, which means they are more committed to their property journey.

We believe this is a huge opportunity for you to showcase your company to our committed students at these events.

We have a number of different packages, at different price points, to suit every business and budget. I am sure we will be able to find an appropriate package for your requirements.

I look forward to encouraging our clients to become your clients.

Please contact my team to discuss your requirements asap, as spaces are limited and allocated on a first come, first serve basis.

Invest with Knowledge, Invest with Skill.

Kind regards,

Simon Zutshi
